

## **What's for Lunch?**

Eliminate endless searching on the district page for your menus.

## **Increase Prepayments!**

Make your links easy to find and more parents will use them.

## **Fight Obesity!**

We provide nutritional content to help you address one of the biggest problems our country faces today.

## **Free and Reduced Info at your fingertips**

Post all your F/R info for parents to review.

## **Brand your Department!**

Take back control of your image and reputation.

## **Hiring?**

Post job openings; be proactive in your Recruiting!

## **Easy to get setup!**

- No Hosting on your servers required
- No new equipment required
- No knowledge of website design or uploading of changes required
- You provide the content – We'll handle the “look and feel”

The benefit to you is a clean, professional website with an optional secure Members Only area with robust communication and management tools.
